## PARTICIPANT AGREEMENT, RELEASE, AND ACKNOWLEDGEMENT OF RISK

In consideration of the services of V6 Ranch, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "V6"), I hereby agree to release and discharge V6, on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that horseback trail rides ("rides") entail known and unanticipated risks which could result in physical or emotional injury, paralysis, death, or damage to me, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing to essential qualities of the activity.

The risks include, without limitation: loss of control, falls, and collisions; unpredictable behavior by horses based upon instinct, fright, or lack of proper rider control; latent or apparent defects or conditions in equipment, animals, or property; acts of other participants in this activity, adverse weather conditions; contact with plants or animals; my own physical condition or my own acts or omissions; the condition of remote roads, trails, waterways, or terrain; first-aid, emergency treatment, or other services rendered; and consumption of food and drink.

V6 also permits non-equestrian activities, including hiking, water activities, sightseeing, and other recreational activities. These recreational activities present many of the same risks involved in rides and possibly additional risks. These risks include those presented by the condition of the property and the weather, the acts of other participants, and my own actions and physical condition.

V6 guides have difficult jobs to perform. Their goal is safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions, and the equipment being used might malfunction.

In addition to the risks inherent in horseback trail rides under normal circumstances, I acknowledge an additional risk of illness during the COVID-19 pandemic. I could contract COVID-19 or other diseases such as the flu that could result in a serious medical condition requiring medical treatment in a hospital or could possibly lead to death.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.
3. I hereby voluntarily release, forever discharge, and agree to defend, indemnify, and hold harmless V6 from any and all claims, demands, or causes of action in any way connected with my participation in this activity or my use of V6's equipment or facilities, including any such Claims alleging negligence of V6.
4. Should V6 be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating. In the alternative, I agree to bear the costs of such injury or damage myself. I further certify that I have no medical or physical conditions which could interfere with my safety in this activity, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.
6. If I file a lawsuit against V6, I agree to do so in Monterey County Superior Court or, where permitted, in the United States District Court for the Northern District of California, and I further agree that the substantive law of California shall apply in that action without regard to the conflict of law rules of that state.

# THE V6 RANCH CATTLE DRIVE

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against V6 based on any claim from which I have released them herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.

## Ride Rules

Please print this information and bring it with you on the ride.

**1**

All participants (*even those who don't ride*) must be registered and have pre-paid.

**2**

All persons registered for the ride, either as a rider or non-rider, must sign a liability release. V6 Ranch management reserves the right to reject any application or to excuse any participant from the ride. V6 Ranch management reserves the right to qualify the ability of riders and to excuse any rider from participation beyond the rider's ability.

**3**

Participants are expected to obey V6 Ranch Rules for controlling trash & litter both on the trail & camps.

**4**

Stallions are not permitted on the ride.

**5**

Smoke ONLY in areas designated by the Ranch. Absolutely no smoking while riding the trails.

**6**

Alcoholic beverages will not be allowed on the trail.

**7**

All riders must ride safely. No rough riding or racing is permitted.

**8**

All riders are to recognize and abide by the decisions of the Trail Boss. No rider shall precede the Trail Boss or lag behind unaccompanied without express permission.

**9**

Stay on the trail. Do not take short cuts. Do not leave the trail without notifying the Trail Boss.

**10**

All horses should be appropriately shod. Be sure your horse is fit and conditioned.

**11**

No ponied or loose horses allowed on ride, including foals.

**12**

Pets are allowed under very strict guidelines: all pets must stay at each owner's rigs. If you feel you'll have trouble doing this, then please leave your pets at home.

Varian dogs are exempt, as you would expect.

**13**

When passing through a gate, wait for everyone to gather before proceeding.  
It makes it easier for the rider who is closing the gate.

**14**

If you need to stop on the trail for a bathroom break, ask another rider & horse to stay with you.  
The horse(s) will be calmer and less anxious as they try to re-join the group.

**15**

Do not disassemble the V6 Ranch corrals.

**16**

Before or after official start of ride please ride only in Blue Oak Camp Arena.  
There is no trail riding without V6 Wranglers.
